

VisionAB

Our mission is to work for
the Customers we serve
by supplying the equipment they need
and after-sales service they dream.

Our vision is the betterment of our people,
enhancement of our network
and
a fair return to the organizations we represent.

NABSONS Pakistan PROFILE

NABSONS Group is a family concern having more than one company in diversified field of Marketing, Contracting, Manufacturing & Export of various demand patterns of commercial and consumer product in the category of various Institution such as Hospitals, Airlines, Hotels, Restaurants, Fast Food outlets & Hyper markets, not only in Pakistan but in the Middle East area as well.

NABSONS Group specializes and represents world's renowned brands not only with-in **NABSONS** but with its sister companies who are working in consumer and commercial products as well.

NABSONS has more then one company involve in diversified fields, details as follows:

NABCSM	(Nabsons Commercial Sales and Marketing)
NABFBS	(Fast Building System)
NABCPM	(Nabsons Consumer Product and Marketing)
NABTSS	(Nabsons Technical Sales and Service)
NABRSTS	(Nabsons Refrigerated Stores & Transport System)
NABEFCO	(Nabsons Engineers & Fabricators Co)
NABFEICO	(Nabsons Food Engineering Industries Co)
NABITA	(Nabsons Imports, Trading and Admin)
NABEXP	(Nabsons Exports)

NABCSM is specialized in commercial equipment, such as laundry, kitchen, refrigeration & bakery equipment. This division is mainly involved in design, supply and installation of above mentioned equipment to institutions, such as airlines, hospitals, hotels, restaurants, supermarkets and fast food chains.

Nabsons has also worked as an approved Service agent for McDonald's to provide technical services regarding equipment installations and after sales services to its outlets throughout Pakistan.

NABFBS is a fairly new Modern Fast building System as all cold storages falls under this department. Recently the calamity that affected the Flood in northern Area to Southern of Pakistan including Earthquake in the Northern area of Pakistan in 2005 has created demand for the shelters of the homeless people. We have introduced in Pakistan of different sizes Full range of Fast Building System along with our foreign Principal. Our range starts from Porta Cabins including Industrial Sheds to Modular Luxury Houses and Buildings.

NABCPM is specialized in consumer products especially for Duty Free and commercial Markets in Pakistan. We are representing world class products in Household from various countries, which we market, promote and provide backup service for these products as we have a developed network throughout Pakistan.

NABTSS is linked with all above companies and a team of engineers and technicians led by a foreign-trained engineer who is in-charge for the complete network of after sales activities and stores of huge inventory of spare parts. At present TSS is responsible for all the technical activities regarding Installations and after sales services of commercial and consumer products.

In our Customers list of TSS, most of Fast food chains like McDonald's, KFC, Pizza Hut, and all the Four, Five star hotels and restaurants like Sheraton, Avari, Marriot, Pearl Continentals etc beside other institution and Industry with whom we are already working in equipment, spare parts and foodstuff.

NABRSTS. The group is in process of having its own facility for Cold Storage warehouse and refrigerated transport system to cater the heavy demand of fast growing market especially the arrival of Hyper markets segment.

EFCO. This facility is just set-up with the necessary machinery, Equipment & tools to cater in-house growing requirement of quality S.S Fabrication items demand which used to out source locally or internationally.

NABFEICO. This company is solely responsible to produce & cater the need of various National and Multi-National, individual or institutional clients for food items. Either it is locally manufactured or an imported ingredients, finished, fresh or frozen food item.

NABITA division looks after the Administration & Imports for all above companies. It is one of the most important departments of NABSONS, as it is responsible for the important task of co-ordination between the other department and divisions.

NABEXP was created with an aim to promote high quality Pakistani products in World market. We have exported Handicrafts, Textile Items, Hand Made Carpets, & Stainless Steel Products, primarily to 5 Star Hotels in Middle East & Africa. Our one of the achievement was the complete refurbishment of Hotel Linen at Sheraton Hotels, Medina Munawara & Riyadh in Saudi Arabia and also in some African countries.

Having representing Textile MORA of Spain under Consumer Product Marketing division, we are also acting as export office for Textile MORA for export of high quality bed sheets to European & American markets.
